## **Annual Report of Public Health Nursing Services in Washington**

**In The Year 1966**

Your public health nurse, a member of the Division of Public Health Nursing, provided public health nursing in the Town of Washington.

The nurse made sixty-nine direct service visits to persons of all ages in their homes or in school. These were made under medical direction of the school physician, family physician or when the patient requested the nursing care.

The nurse visited sixteen times to coordinate group programs. Consultations were held by the nurse with physicians and town officials in behalf of the community health.

Twenty-three children in grades two, five and eight were examined by their school health physician, Dr. Arnold Walker. Sixty-eight children in selected grades were given the tuberculin skin test by Alta Ashley, M. D., Health Officer, Health District III. The test was given at the request of the parent.

Through the effort of the volunteer workers, the nurse and Dr. Walker, two community immunization clinics were held and two hundred eighty-two persons attended. A separate immunization clinic was held for the school-age children. One child health conference was held. During this activity the mothers had an opportunity to discuss their children's problems with a physician. The children received necessary immunizations. The nurse was present to interpret the doctor's suggestions and to discuss additional concerns or questions the mother might have.

The nurse supervised the volunteers when eye and ear testing was carried out. Your nurse retested eleven children and made recommendations to the families as indicated by the tests.

Your nurse extends her appreciation to the volunteer workers who assisted in the community health activities.

Respectfully submitted,

RUTH S. STEPHENSON, R.N.  
Public Health Nurse

TOWN OF WASHINGTON

February 1, 1966 to December 31, 1966

An audit has been completed of the financial records of the Town of Washington for the municipal year ended December 31, 1966. The audit included an examination of the records maintained by the various officers of the Town. The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules.

**ASSETS . . .** The cash balance of \$10,911.72 was reconciled with the statement furnished by the Camden National Bank, Camden, Maine, and count of cash on hand.

Taxes receivable of \$8,044.53 consisted of uncollected current year's accounts of \$7,761.33 and unpaid prior years' accounts of \$283.20 dating from 1962.

Transactions affecting tax liens and tax acquired property were reviewed. Unpaid accounts were reconciled with the balances shown on the records of the Selectmen.

**LIABILITIES . . .** Recorded liabilities at the close of books amounted to \$775.13 representing amounts due for snow removal and welfare accounts.

**RESERVES . . .** Departmental accounts reflect an unexpended balance of \$4,919.13 being carried forward to the 1967 municipal year in accordance with legal requirements and/or as customary.

**SURPLUS . . .** The unappropriated surplus of \$16,185.15 at the year's end displayed an increase of \$6,537.52 as compared with the preceding year. The main factors contributing to this increase were net unexpended balances and gain on sale of

**PLEASE BRING THIS REPORT TO TOWN MEETING**

tax acquired property exceeding Special Bridge expenditures.  
CAPITAL RESERVE FUND . . . The community building fund with accumulated interest totaled \$1,176.66.

TRUST AND SPECIAL FUNDS . . . The total amount of trust and special fund principals was \$13,138.76 and undistributed income amounted to \$2,233.04. The total principals and income are invested as follows:

U. S. Savings Bond	\$ 1,000.00
Time Deposits	12,672.82
9 Shares First National Bank of Portland	100.00
Due from General Fund	1,598.98
	<hr/>
	\$15,371.80
	<hr/>

SCOPE OF AUDIT . . . The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and cancelled checks were examined for a selected period.

Excise tax collections were verified with the copies of the receipts retained by the collector.

In our opinion, subject to the foregoing comments, the accompanying balance sheet and supporting information fairly present the financial position of the Town at December 31, 1966 and the result of its operation for the year then ended.
